**Join Kaleidoscope Youth Theater for an  
Evening of “Mardi Gras” Fun - KYT’s Family Friendly Fundraiser!**

**Bozeman, MT:** The excitement of New Orleans at Mardi Gras time has come to the Kaleidoscope Youth Theater Playhouse for their February 20<sup>th</sup> Fundraiser! Bring the whole family and enjoy a Creole Dinner with entertainment by talented Kaleidoscope students as well as an indulgent silent auction of scrumptious cakes, cupcakes, and cookies donated by local bakers and a “Flash the Cash” Mardi Gras Beads Door Prize Raffle. In keeping with the theater spirit, attendees are encouraged (but not required) to “dress the part” - those festooned in masks, feathers, or other Mardi Gras duds will receive extra raffle entries! Join the folks at KYT for a family friendly evening of fun and lend your support to a great non-profit arts organization that allows kids to take center stage!

This Kaleidoscope Youth Theater fundraiser is taking place at the Kaleidoscope Playhouse, 1602 W Beall (behind the Hastings Shopping Center), Friday, February 20th at 6:30pm and is fun for all ages! Tickets are \$50 and can be purchased by calling KYT at (406) 587-3642, stopping by the Playhouse, or online at [www.kytbozeman.org](http://www.kytbozeman.org). Don't wait! Reserve your spot at the party TODAY!

For more information on this and other Kaleidoscope events, classes, and productions, please visit their website - [www.kytbozeman.org](http://www.kytbozeman.org).

**About Kaleidoscope Youth Theater:** Kaleidoscope Youth Theater (KYT) is a 501 (c)(3) organization, imagined by Stacy Hostetter in the spring of 2000 to use theater as a tool to benefit not only the students involved in KYT's programs, but also the Gallatin Valley at large. Kaleidoscope strives to “Grow creative kids and community through theater,” by growing people, not just actors and enriching the local community by staging family-friendly shows accessible and enjoyable to audiences of all ages. KYT offers year round theater and fine arts enrichment opportunities to elementary age children through high school age youth - three sessions of after-school classes throughout the school year, week or two-week long theater skill and production camps during the summer, and also gives their students the opportunity to participate in large, musical productions by staging three to four full scale shows every year.
